

## AMMI News - April 2019

Dear supporters and friends of Ammi Ministry.

Attachments include two newsletters. The first is from and the second is from trendy worship Center led by Rev. Sunny John in India. Rev. John is a missionary with Ammi Ministry.

### **Additional Prayer Requests**

Ron will be having corrective surgery on his right foot for the second and third toes. It'll take several weeks for post operative healing including not being able to drive for two weeks. Pray God will supply the church members and neighbors to help with the caretaking of DONNA during this period of time.

After putting off for many years corrective dental work, Both Ron and Donna are nearing completion of the necessary treatments. As you know the dental work in America is very expensive. The cost for the necessary procedures comes to approximately \$18,000. This is quite a large amount. Part of this amount has been put on a no interest 12 month payment credit card, and the rest has come out of their savings. If God leads you to help donate towards these expenses please designate that on your donation check.

Sunny John is praying for \$500 to purchase a LCD projector. This projector will be used both for indoor seminars and worship services At Trinity worship Center, and for outdoor evangelism in India.

Blessings,

Rev. Ron Elkin
