

Ammi Ministry Newsletter February 2018

My video testimony advertisement, according to Facebook's estimate, will reach approximately 50,000 to over 100,000 people during a 20 day period. We expanded the locations to include, Israel, England, France, Germany, Florida, Illinois, California, Atlanta Georgia, Maryland, Virginia, and Washington DC.

Please pray, many will see the advertisements, and will click to view the video. Also, we will receive comments so we can interact with people who don't believe in Jesus. The cost for this advertisement is \$300.

Please pray about replenishing our advertising fund.

From [March 8-18](#) there will be a Jewish film Festival in Sarasota, Florida. The locations are public venues where we will have the freedom to holdup gospel signs and pass out literature to pedestrians. The theme of the literature and signs will be Isaiah chapter 53. Please water these efforts with your prayers.

All donations to Ammi Ministry are totally deductible. Donations can be made through the mail address below or on our website, <http://www.ammiministry.org>.

There's been a 2-3 month delay in the facility that we will be treated for with stem cells, receiving all the equipment they need. In the meanwhile, please pray for Donna who is in great pain when she moves her left arm.

God bless you and your family.
