### Accident – Donna Injured

On January 5<sup>th</sup> in the afternoon I was taking a walk and Donna Elkin was following behind me on her mobility scooter. A driver made a unsafe fast turn onto our street and Donna Elkin was side swiped by the car traveling at 20 mph. It is a miracle that she wasn't killed or grievously injured. She was taken to a hospital and x-rayed in three areas is that Donna was bruised in several places. Her left wrist, her arm between the elbow and the shoulder, and her right knee.

A couple of days later Donna began to experience severe headaches, and pain on the left side of her neck. A MRI revealed that she had bulging and herniated discs in her neck area. We are scheduling an appointment with a doctor who focuses on treating this type of injury. Will appreciate your prayers for this delicate area to be treated properly.

Her left shoulder which already has problems was re-aggravated. Our pain management doctor removed fluid from her shoulder and injected her With anti-inflammatory pain relief medicine.

The reckless driver is about 25 years old and was uninsured. Fortunately, we carry uninsured motorist coverage. This will help pay our medical expenses. Donna obviously needs your prayers during this period of healing.

God uses all things to his glory. The accident has brought us into contact with more people in our community. May God use this as an opportunity to witness the glory of God in the miraculous way He protected Donna from being injured more severely.

### Internet Ministry

I have received one on one training from Facebook on how to maximize the results of our evangelism advertisements. Pray, this new knowledge will expand the effect of our evangelism outreach. I am very busy corresponding skeptics, atheists, and seekers.

**Sunny John** received a donation to buy a street preaching sound system. We praise the Lord for this. In his community there are crowded shopping locations where the

Word of God will be preached.

Sunny John's Church, **Trinity Worship Center**, is having a financial struggle paying the rent on their meeting place, which is also a home for Sunny and his family. They are five months behind on their rent payment and need \$580 to bring them up to date. Of course they need 10 monthly supporters who can donate \$20 a month towards their rent and electrical bill. They regularly witness to hundreds of people through their street level evangelism. We also need another 20 supporters who can give \$10 a month to enable Sunny to broadcast on television to 1,000s of Hindus and Moslems four times a month.

Trinity Worship Centre began in 2008 along with a Missionary Training Centre in Pampady, India. After two years we decided to concentrate on the church plant and train our members in evangelism with the goal of planting more churches in rural unchurched areas in the future. We rented a meeting hall that also contained a home for my family in 2010. The church grew and we continued there till the end of December in 2017. At that time we paid 4,500 Indian Rupees per month (Approximate 72 dollars). In January 2018, we were asked by the landlord to move from that place. After continuous prayer and searching we got found house with hall that can accommodate our worship service. But the rent of this building is double (8000 Indian Rupees per month, 150 dollars). We tried to find a less expensive situation but this was the best we could do. In addition to the rent there is a monthly electric cost of \$40. The total needed is \$190 dollars a month.

The building is centrally located in our city, and provides us with good evangelism opportunities. We host social events which draw in unsaved Hindus, Moslems, as well as unsaved cultural Christians. At this point we have paid the rent from January 2018 to September (9 months). But the rest is owed (four months, including January 2019). The total owed amount is 32000INR (\$520). We have managed to pay our electric bill.

### **Sunday School Class**

We are hopeful, and believe the Lord will bless in 2019 to enable us to continue to reach the lost souls in our community.

Our partnership with AMMI Ministry has been a great encouragement because of the loving concern of Ron and Donna Elkin, and AMMI's board of directors. We are thankful for their counsel and prayers.

### **Our Witnessing Shirt**

We have received orders for our **witness shirt**, that in Hebrew states, “Jesus equals Salvation.” Pray that when people wear the shirt it will open up conversation opportunities to explain the Gospel.

We are grateful for your support and prayers.
