

AMMI MINISTRY NEWSLETTER - JUNE 2020

Dear Believers,

Attached is Rev. Sunny John's recent report. The ministry is affected by India's Coronavirus lockdown. But, praise the Lord, the Television program is reaching more people since the majority of people are home bound.

There is also a report on the church plant in Orisha State.

This is the unedited version of his Newsletter. Please keep in mind while Sunny's English speaking ability is excellent, his writing skills are only fair.

Through Facebook I have met and am mentoring a young Christian man in Bangladesh. His name is Rabin Das. Rabin grew up in a Hindu family. When he was 12 years old, a young man came and witnessed to him. By God's grace, he made a commitment to follow Jesus and now he has a ministry of evangelism to children. I have examined his Christian understanding and find that he is a mature in his doctrinal understanding.

If you know a Christian from Bangladesh who also speaks English please let me know.

Donna and I pray that God protects you. and your family. Pray there is in the outpouring of the Holy Spirit on our land to fill people with God's wisdom and repentance.

Sincerely yours,

Rev. Ron Elkin

NEWSLETTER

Greetings in the matchless name of our Lord and Savior Jesus Christ. It is my great privilege to write this News Letter. As you know like any other countries, India is too badly hit by the destructive virus Covid-19. The country is locked down since March middle. Therefore, our ministry also had a big setback as the church activities and its missions were wanted to stop.

But I am very happy to say that our media ministry got more viewers since the people are in their home. I got number of phone calls. We are following up such calls.

Our Television Program is reaching a number of people these days. Besides this, we are uploading it through our YouTube channel.

And also, we are having social net work platforms in which we are reaching hundreds of people. Trinity Worship Centre worship services are going live through Facebook and YouTube.

ODISHA MISSION: Our Odisha Mission is going smoothly even in covid-19 situation. The church gathers early morning 4.30 for worship. The church in Odisha wanted build a church building. They started with a foundation but they are struggling to build it up.

The left picture is: Pastor Jihudhah is standing on the church building foundation.

The right picture is the church photo.

Kindly pray for the church in Odisha and we are planning and praying for ministry expansion in Odisha. If we can meet more local missionaries like Pastor Jihudhah it would be helpful for a great movement of gospel there.

Thanking again for the support by all our well wishers through AMMI ministry. I am grateful to say that Rev. Ron Elkin and Mrs. Donna Elkin are ministering with us and they are our mentors. They are speaking with us regularly and making sure what all we needed for effective ministry.

With Sincerely & Faithfully
Pastor Sunny John
