

Dear fellow believers,

October 8, 2019

We are grateful for your donations.

Rev. Sunny John is now traveling in the USA. I am helping him find meetings. I am also learning more about his ministry focus. Briefly, India is a country that has seven major languages, and other minor languages. Also, each language has different dialects. Because of this fact, Rev. John's goal is to raise up local churches among these different language and cultural areas, as the major means of evangelism.

At present he has planted a church in the State of Kerala, and supports and is training a church planter in Odisha. Odisha, has one of the most fanatical Hindu groups in the country. Recently, they burned alive a missionary and two of his children.

Sunny is not only an evangelist, but also a trainer. He taught evangelism at a Bible college, and for a brief time he developed an evangelism training academy. His church plant was established as an evangelism community. Please pray Sunny will be able will find gifted pastors/evangelists to begin new churches in other are as of India.

Ron

In my telephone evangelism ministry, I spoke to a tech support woman in the Philippines. Her name is Erica. At the end of the session, she asked if there was anything else she could help with. I explained that there was something that could be very helpful to her. It would be for her to read the 4th book of the New Testament, the Good News (gospel) of John. This would help her understand who Jesus is and why it's important to believe in him. Erica started to cry as she experienced the conviction of the Holy Spirit, and explained that she needs to be cleans from sin. Please pray for her to find a Bible believing church and to follow up on her promise to read God's word.

The Barrett's

In the Philadelphia area, Albert and Sandi Barrett go weekly to public areas to witness the Gospel. They met a young man named Jose two months ago. He was already prepared by the Holy Spirit to be able to receive the Gospel, and when the Barretts witnessed to him he prayed to be saved. The Barretts meet with him regularly and are arranging for him to go to a church. Also, the Barretts do their best to recruit other believers to join them in proclaiming the God News in public places. Please pray for

their efforts.
