

AMMI MINISTRY DECEMBER 2018 MISSION REPORT

Merry Christmas - I hope you will have pleasant time with your family and friends. And, have thankful hearts for Jesus' incarnation.

I am thankful that God has chosen to expand our mission work through our board member Geoff Robinson, who is leading a team of volunteers in street evangelism in New Jersey and Philadelphia area, and our associate missionary and church planter in Kerala, India, Sunny John. For security reasons please do not publish Sunny John's name on Facebook or other social media.

Ron's Report

Two weeks ago, I made a new video called "Why Read The Bible." It is posted on YouTube under my channel "Ron Elkin." I also placed the video on Ammi Ministry's Facebook page and advertised it.

The ad was seen by over 32,500 people. 3,009 people clicked on the video link, and over 1,400 reacted through comments or ratings. Also, 65 people shared the video with their hundreds of Facebook friends.

The overwhelming majority of viewers were Jews between 13 - 35 years old, and residents of Israel, France, and England, where there are large Jewish populations.

The reason we can determine that is because the ad was sent to people who have Jewish focused interests. For example, Judaism, Synagogues, Torah, Tenahk (term for Jewish Scriptures), Rabbi, Jewish culture or history, and other Jewish related topics.

I am discussing the Gospel with many unsaved Jewish responders. Of course there are some hostile remarks among those who are responding. **Pray for wisdom and Holy Spirit guidance, as I answer honest seekers and those who are hostile.**

I am planning a new video on the subject of what is love and where is it derived from. The focus for this teaching will be the loving relationship within the Godhead and how it's a reflection in our lives and communities, since we're all made in God's image.

The video advertisements cost \$250 each. Please consider sponsoring additional video advertisements.

At the present time are funds are low. I've taken minimal salary in 2018. Donna and I have the normal living expenses, as well as ministry expenses. A tax deductible year end gift would be appreciated, and very helpful.

Health Report: I have experienced benefits from the stem cell treatment in the following ways, a quickened mind and memory, a youthfulness and energy noticed by other people, a strengthened back, and a general sense of well being. Where I have not seen

improvement is is my diabetes and neuropathy. There is a possibility that the major sources of the neuropathy is vascular. I have a test in a doctors appointment on January 7 to determine if this is the case.

Unfortunately, Donna has not seen improvement in her ataxia or shoulder. The original doctor who we were going to work with, believed in a series of three treatments. Rather, than one time massive treatments like we received. We are praying if Donna should have another treatment for the ataxia.

In the meanwhile Donna has had steroid injections that have reduced her pain, and is working with an excellent physical therapist who is increasing her range of motion in her troubled left shoulder.

Geoff Robinson's Report on Street Evangelism

I went out on Black Friday morning and handed out a "Christmas Quiz" gospel tract to shoppers, in the early morning, waiting to get into Home Depot, Target, and Best Buy. I also handed out many tracts to numerous people at the Collingswood, NJ's Christmas parade the following Saturday morning. Albert (a faithful volunteer) and I are evangelizing in Suburban Station (One of the major commuter train stations in Center City Philadelphia) and near One Liberty Place (One of the city's tallest buildings). During the evangelism, I had interaction with 2 Muslim women. One of them said they didn't

want our tracts. She explained it was because she was Muslim. I explained that the Quran tells us to believe in the gospels (it does). She proceeded to tell me that the New Testament was corrupted. I told her that we have copies of the New Testament prior to the giving of the Quran and the Quran still vouches for the New Testament. She then disagreed and said the Quran doesn't say that. I told her to go look it up. Pray she will do that.

We also handed out hundreds of tracts on Thanksgiving weekend And, also later in the week. **I would greatly appreciate your prayers for those who receive the tracts, and for opportunities to have fruitful conversations with the the unsaved.**

Sunny John's Report

Please read, pray and donate to this active Gospel witnessing mission to Moslems, Hindus, and nominal Christians in India.

AMMI MINISTRY MISSIONARY SUNNY JOHN & TRINITY WORSHIP CENTRE MISSION CHURCH

It was a wonderful month for AMMI and TWC as we reached many places with the Gospel and hundreds of people heard the about Jesus Christ our Lord. We conducted three open air meetings which attracted hundreds of people.

Our Evangelism Team

In these places there are extreme Hindu groups and traditional Catholics. While one of our evangelists preaches, others engaged in tract distribution and visiting houses.

We met an old lady who was formerly a Hindu. She told a story that touched our hearts. She came to salvation by seeing Jesus in a vision. Throughout her talk she was very excited and we could see the joy of salvation on her face.

Sunny John preaching with rented sound system

Our ministry took place in Amayannur, the where we had already have a weekly Bible Study. Pray that a church will develop from these studies. We temporarily rented a sound system which is useful, for open air meetings. We'd like to buy a sound system which costs 10,000 - Indian Rupees (160 dollars).

ORISSA MISSION TRIP

Congregation in Orissa, India

Orissa is one of least evangelized states of India. Literacy rate of this state is 63 percent but the people of this state are still under darkness of extreme Hindu influence. A few

years ago, a fanatical Hindu leader and his followers, killed hundreds of Christians and burned down many churches. They also maimed Christians. We are assisting a church planter, whose bed churches are growing. Pastor Jihudah Bhagh is giving great pastoral leadership to these churches. In November new people were saved.

We would like to conduct a mission trip to Orissa during April – May 2019. It will cost 50,000 rupees (850\$). We invites your prayers and financial support.

TELEVISION EVANGELISM

Our Television Evangelism is interrupted due to an increase in broadcasting charges. It was free when we started but later charged but now it is hiked to 50 dollars per a half hour message. We need 200 dollars for a month to reach hundred of thousands with the Gospel. T.V. Evangelism is very unique in countries like of India. Hindus, Moslems, and nominal Christians feel safe to listen to the Gospel while sitting in the comfort of their

home. We have great testimonies from people affected by my television preaching. **We receive at least a hundred phone calls a day when each programs is broadcast.**

TRINITY WORSHIP CENTRE DECEMBER PROGRAMS

As we have reached the last month of this year, we plan for three days of fasting and prayer. It will be take place from December 28th to the 30th. We will have as regular yearend service on 31st December, and church picnic on 24th December. We use the picnic as an evangelism event and invite our neighbors to join us.

Thanking for your love, fellowship and support for our missions in India through AMMI Ministry. We are continuing to uphold all of you in our daily prayers. May God bless you in every area of your life.

Witness T-Shirt

This conversation starter shirt can help you present the Gospel to curious people. The Hebrew from right to left says, "Yeshua (Jesus) equals Salvation. And from left to right, "Salvation equals Yeshua." This is a play on the grammatical connection between the two words. They both come from the same Hebrew root word. The cost for the shirt which includes shipping is \$20. Send a check with your size to the address below.

Please send your donations or shirt order to:

AMMI Ministry, P.O. Box 7907, North Port, FL 34290

If you want to designate funds toward Sunny John's work, designate that on the check

God bless you and your family
